

Trade Name: EndoTrap HD

Version: 05/20 EU

Status: 28.04.2020

Date of printing: 28.04.2020

1.) Identification of the substance/preparation and company

Product details

Trade name

EndoTrap HD

EndoTrap HD 1/1	Cat. No.	LET0009
EndoTrap HD 5/1	Cat. No.	LET0010
EndoTrap HD 5x Equilibration Buffer	Cat. No.	LET0015/LET0045
EndoTrap HD 5x Regeneration Buffer	Cat. No.	LET0016/LET0046
EndoTrap HD 5x Storage Buffer	Cat. No.	LET0017/LET0047
EndoTrap HD 5	Cat. No.	LET0023
EndoTrap HD 10	Cat. No.	LET0011
EndoTrap HD 50	Cat. No.	LET0012
EndoTrap HD 250	Cat. No.	LET0013

Use

For biomanufacturing & research use only.

Identification of the manufacturer / supplier

Address

LIONEX GmbH
Salzdahlumer Straße 196, Geb. 1 A
38126 Braunschweig, Germany

Tel. +49 (0)531 – 260 12 66

Fax. +49 (0)531 – 618 06 54

Information provided by / telephone

+49 (0)531 – 260 12 66

Emergency telephone number

+49 (0)531 – 260 12 66 (8.00 am - 4.00 pm)

Centre of Detoxification: Mainz +49-6131-232466 or -232467 / Munich +49-89-19240

2.) Composition / information on ingredients

Chemical characterization

Aqueous suspension; chromatography resin for endotoxin removal.

Hazardous ingredients

ProClin™ 150: ProClin preservatives are highly effective biocides for controlling microorganisms in reagents and products intended for in vitro diagnostic use. In the concentration 2,55 ppm, these preservatives eradicate bacteria, fungi, and yeast for extended periods of time. ProClin offers excellent compatibility and stability with most enzyme systems, as well as low toxicity. ProClin preservatives are an excellent choice for replacing thimerosal, sodium azide, and gentamicin preservatives.

3.) Hazards identification

Particular information pertaining specific risk for human / environment

The physical, chemical and toxicological properties of these components have not been fully investigated. It is recommended that all laboratory personnel follow standard laboratory safety procedures when handling this product. Safety procedures should include wearing safety glasses, gloves, and protective clothing. Direct physical contact with all components in this product should be avoided.

4.) First aid measures

After inhalation

If inhaled, remove to fresh air. If breathing becomes difficult, call a physician.

Trade Name: EndoTrap HD

Version: 05/20 EU

Status: 28.04.2020

Date of printing: 28.04.2020

After skin contact

In case of contact, immediately wash skin with soap and copious amounts of water.

After eye contact

In case of contact with eyes, flush with copious amounts of water for at least 15 minutes. Assure adequate flushing by separating the eyelids with fingers. Call a physician.

After ingestion

If swallowed, wash out mouth with water provided person is conscious. Call a physician.

5.) Firefighting measures

Extinguishing media:

No restriction

Thermal decomposition:

Dangerous decomposition is not anticipated.

6.) Accidental release measures

Personal precautions

Refer to protective measures listed in sections 7 and 8. Ensure adequate ventilation.

Environmental precautions

Do not discharge into the drains / surface waters / groundwater.

Methods for cleaning up / taking up

Pick up with absorbent material (e.g. sand, sawdust, general-purpose binder). Send in suitable containers for recovery or disposal.

7.) Handling and storage

Handling

Advice on safe handling

Avoid inhalation. Avoid contact with eyes, skin, and clothing. Avoid prolonged or repeated exposure.

Storage

Storage conditions

Keep tightly closed. Storage regarding package insert.

8.) Exposure controls / personal protection

Engineering Controls

Safety shower and eye bath.

General Hygiene Measures

Wash thoroughly after handling.

Personal protective equipment

Respiratory protection

No personal respiratory protective equipment normally needed.

Hand protection

In case of intensive contact wear protective gloves (EN 374).

Eye protection

Safety glasses (EN 166).

Trade Name: EndoTrap HD

Version: 05/20 EU

Status: 28.04.2020

Date of printing: 28.04.2020

9.) Physical and chemical properties

Colour	White
pH	5-10
Melting point	-6 °C / 21 °F
Boiling point	78 °C / 172 °F

10.) Stability and reactivity

Hazardous reactions:

None under normal use. However, avoid contact with ignition sources (like sparks, open flame, heated surfaces).

Hazardous Decomposition products

Thermal decomposition may yield the following:

- monomer vapours

Incompatibility:

- Avoid contact with: acids, oxidizing agents, acid chlorides, acid anhydrides, alkali metals, organic peroxides

11.) Toxicological information

Intoxication has so far not become known.

Product specific toxicological data are not available.

Immunomodulatory / cytotoxicity data are available for:

- Immunomodulatory properties in cultures of murine splenocytes
(Under the reported conditions EndoTrap antigens revealed no detectable pyrogenic and mitogenic properties to activate the innate immune system)
- Tests for cytotoxicity in vitro-methods DIN ISO 10993-5
(Under the reported conditions EndoTrap antigens revealed no detectable cytotoxic effects in cultures of murine L929 fibroblasts and splenic cells)

12.) Ecological information

General information / ecology

Do not discharge into the drains or waters and do not store on public depositories. There are no data available on the preparation itself. For components which are dangerous for the environment see section 2.

13.) Disposal considerations

Waste disposal route:

Used reagent can be disposed of in the waste water in accordance with local regulations.

Disposal of empty packaging

Dispose of empty packs via local recycling or waste disposal routes – if necessary, clean them beforehand.

14.) Transport information

RID/ADR

Non-hazardous for road transport.

IMDG

Non-hazardous for sea transport.

IATA

Non-hazardous for air transport.

Trade Name: EndoTrap HD

Version: 05/20 EU

Status: 28.04.2020

Date of printing: 28.04.2020

15.) Regulatory information

European Labelling in Accordance with EC Directives Hazard Symbols:

This product has not to be labelled in accordance with EEC directive 67/548 and 99/45

16.) Other information

Warranty
