# Material Safety Data Sheet

Revision Date: 2-July-2018

# 1. Identification of the substance/preparation and the company/undertaking

Product code: UK-B80, UK-B40, UK-B500 Product name: Block Ace Powder

Supplier: KAC Co., Ltd.

Head Office : Nishigekkocho 40, Nishinokyo, Nakagyo-ku, Kyoto-city 603-8432, Japan Hanshin Delivery Center : 2-1-20 Kukuchi Nishimati, Amagasaki-city, Hyogo 661-0978, Japan Tel +81-6-6435-9747 Fax +81-6-6435-9748 <u>http://www.kacnet.co.jp</u>

# 2. Composition/Information on ingredients

Mixtures

# 3. Hazards identification

The product contains no substances which at their given concentration, are considered to be hazardous to health.

Principle routes of exposure/ potential health effects

Eyes: No information available

Skin: No information available

Inhalation: No information available

Ingestion: No information available

Specific effects

Carcinogenic effects: No information available Mutagenic effects: No information available Reproductive toxicity: No information available Sensitization: No information available

# 4. First aid measures

Skin contact: Wash off immediately with plenty water. Eye contact: Rinse thoroughly with plenty of water, also under the eyelids. Inhalation: Move to fresh air. Ingestion: Rinse mouth thoroughly. Get medical attention if any discomfort continues.

# 5. Fire-fighting measures

Extinguish media: This product is not flammable. Use fire-extinguishing media appropriate for surrounding materials.

# 6. Accidental release measures

Personal precautions: Use personal protective equipment. Methods for cleaning up: Soak up with inert absorbent material.

# 7. Handling and storage

Handling: No special handling advice required. Storage: Protect from light and store at room temperature.

# 8. Exposure controls / personal protection

Hand protection: Protective gloves Eye protection: Safety glasses with side-shields Skin and body protection: Lightweight protective clothing

# 9. Physical and chemical properties

Form: Powder Boiling point/range: No data available Melting point/range: No data available Flash point: No data available Auto ignition temperature: No data available Oxidizing properties: No information available Water solubility: Soluble in water

## 10. Stability and reactivity

Stability: Stable Materials to avoid: No information available Hazardous decomposition products: No information available Polymerization: Hazardous polymerization does not occur.

### 11. Toxicological information

Acute toxicity principle routes of exposure/ potential health effects Eye: No information available Skin: No information available Inhalation: No information available Ingestion: No information available Specific effects Carcinogenic effects: No information available

Mutagenic effects: No information available Reproductive toxicity: No information available Sensitization: No information available

## 12. Ecological information

Ecotoxicity effects: No information available Mobility in soil: This product is soluble in water. Biodegradation: No information available Bioaccumulation: No information available

## 13. Disposal considerations

Dispose of with a large amount of water.

#### 14. Transport information

Proper shipping name: No information available Hazard class: No information available Packing group: No information available UN-No: No information available

#### 15. Regulatory information

No information available

#### 16. Other information

This information relates only the specific material designated and may not be valid for such material used in combination with any other materials or in any process. Such information is, to the best of the company's knowledge and belief, accurate and reliable as of the date indicated. However, no warranty guarantee or representation is made to its accuracy, reliability or completeness. It is the user's responsibility to satisfy himself as to the suitability of such information for his own particular use.
